

Treasurer's Report:

The THD finances are in good standing. We started 2022 with \$43,653 in the general fund, and we expected to end the year at \$41,007. (Based on information received as of 9/30/22.) Expenditures were for awards (\$1,250), student support (\$2,500), and scholarships (\$500).

Funds in the THD Award Funds all increased in 2022. The Service Award fund has \$23k, the TAA Award has \$57k, the Hochreiter Fund has \$86k, and the Raj Sehgal Award has nearly \$24k. Each of these increased by about 9% due to good market conditions. These award fund amounts are all well above the spending limit on each, and an increase in the awards can probably be made.
